Re: Idaho Select Basketball Program

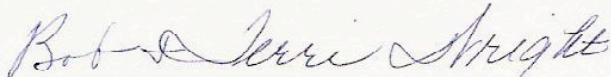

To Whom It May Concern:

As parents and citizens of this community, we are naturally concerned with the quality of development programs that are available to the youth in the Treasure Valley and the state of Idaho. We can state with absolute certainty that the Idaho Select program provides the highest quality development for our young men.

As parents, we have worked with the Idaho Select for several years. We have watched the program grow into a very important part of our community. In addition to the assistance the program offers to kids from a basketball perspective, it also helping them develop as good citizens.

Anyone who is considering working with Idaho Select will find this organization to be very professional, and they operate with the highest level of integrity. They are first class, honest and have our kid's best interest at heart. We highly recommend Clint and Vince Hordemann and the entire Idaho Select Basketball program.

Sincerely,

Bob and Terri Wright
